1. Borrowing Entity: _____

2. Address: _____

3. Contact for this loan:

Name: _____

Email: _____

Telephone: _____

4. Duration of Loan:

From (day/month/year, include day of pick-up) _____

Until (day/month/year, include day of return) _____

The borrowing entity is responsible for picking up and returning the items borrowed, and ensuring they are packed/wrapped in a comparable manner to when they were picked up.

5. While it is recognized that most mills do not have HVAC controls, the borrower will not hang the loaned objects in direct sunlight, or hang them in areas where they are likely to be damaged or stolen. The borrower will ensure the loaned objects are covered under the borrower's insurance for loss, theft, or destruction, and agrees to cover costs of minor repairs (eg. cracked/broken glass).
