

# Historic Wallace-Cross Mill

## 2023 Event Schedule

**Open Houses run 1:30 – 4:30pm. Tours (about 30 minutes) are free!**  
***Volunteer opportunities are available in the gardens or as greeters.***

Wallace-Cross Mill is a restored 1826 water-powered grist mill located near Cross Roads, East Hopewell Township. It was listed on the National Register of Historic Places in 1977. Harry Cross, the last operator of the mill presented the building to York County in 1979. The Friends of Wallace-Cross Mill was formed in 1999 to oversee the programs at the newly restored mill. Today the group conducts open houses at the mill from June through October, conducts fundraisers, and plans the future for the mill.
